Subject: Re: Barnes AP Stuff

E: For now, please fax the two page summary you found. I'll look at the boxes when I'm in DC on Thursday and Friday. Thanks. TTo:Tom Samoluk/ARRBcc:From:Eileen Sullivan/ARRBDate:04/21/97 05:23:25
PMSubject: Re: Barnes AP StuffCan you give me a call about these materials? I see the two page summary which Barnes calls "Facts About the Materials". There is no manila envelope marked as "highlights", however, there are two bundles of materials that are the only items in the box that are not in envelopes. I think these are the highlights -- maybe 40 pages.Give me a call and we'll talk about how to proceed. Thanks!To:Eileen Sullivan/ARRBcc:From:Tom Samoluk/ARRB Date:04/18/97 04:09:45 PMSubject:Barnes AP StuffE- Sorry that you are being greeted by a flurry of e-mails on Monday morning. However, I was hoping you could do one additional thing for me. In Richard Barnes' box of AP wire copy he has a summary that he did (a few pages long) and selected highlights (also a few pages long, I think). The summary has a heading on it and is easy to recognize. The selected highlights are in a manila envelope and are marked as such, I believe.It would be helpful if you could fax that stuff to me. Thanks. If it is too much, maybe a FedEx is better.T
