Body: Hi there! I was out on Friday, so I didn't get your e-mail until this morning. Thanks for the invitation, though. How is everything going in your neck of the woods? I'm so relieved to see the sun again today -- I wasn't sure I could survive another week of rain. Blech! But, April showers bring May flowers, right? How was the happy hour on Friday? I have never heard of "John Harvard Brew Pub" even though it is apparently just a few blocks away. Anyway -- i hope all is well. Keep me updated on what's happening with you.
