Subject: Byrne collection
Sorry I did not get back to you yesterday but I spent the day at CIA. On the Byrne collection, the person to ask is Megan Desnoyers. She will be able to tell you the exact legal status of the collection. The notes in the punch list came from Mary and thus I can not vouch for their accuracy. A week or two ago, I told Megan we were trying to get the Byrne material opened. She was quite pleased and said she hoped we succeeded. If you want me to call her, let me know but it is probably easier for you to talk to her.
