For: Gary HymelDavid:I am trying to locate the following person:Gary HymelHe is a former aide to the late Congressman Hale Boggs and the late House Speaker Thomas "Tip O'Neill. My understanding is that he works for a large public relations firm in DC. I would guess that he is in his 60's or 70's now.There is a residential listing for a "Gary Hymel" in the DC phone book. That number is 362-9786. I would rather not call Hymel at home. I'm not sure it is the right listing anyway.David told me that a FINCEN computer search could glean some information on his employment. If I could get a work address and a work telephone number that would be very helpful.Please let me know what you can do thru a FINCEN computer search.In addition, please do not do make any contact with him either at home or work if you get any information. If you can let me know whatever information you have, I'd like to make the contact, even if it means trying a couple of different possible "hits" to get the right one.Also, please do not make a special FINCEN trip. This is not urgent. The search can be done whenever you are at FINCEN the next time.Thanks for your help and whatever you can
