PMSubject:Don't be shy.Earlier today, I received the following message from Tracy:"David was in desperate need of a peanut m&m fix so I opened a bag and put some in the little guy." Scary, huh? In light of this disaster (the great m&m famine of 1997), I am sending this message to ALL:If you come in for m&m's and the m&m man is empty (horrors!), please feel free to fill him up using any of the packages of m&m's that are stored in my bottom right desk drawer. :-)
