Subject:	Re: HSCA report (or view)
Body:	Bob This is done? Right? (tell I have accomplished at least this much...)To:Chet Rhodes/ARRBcc: From:Bob Skwirot/ARRB Date:05/01/97 03:29:28 PMSubject:HSCA report (or view)So that Kris Wilhelm at legislative archives can update RIFs for NSCA documents that the Board has reviewed, we have agreed to generate a list of HSCA (180) documents from the Review Track Archive. All we need are RIF numbers and postponement codes (1a, 1b, etc.). I suppose that the status (Postponed in Part, etc.) might be useful, but I didn't promise that information to her. I was unable to contact her today to clarify what format would work best, but I think that RIF order should work just fine.Thanks again.
