Subject:	Re: JFK Presidential Recordings Finder's Aide

Body:

We do have a "Presidential Recordings Finding Aid." I located it in Jeremy's office and I will leave it with Cathy for you to examine on Thursday and Friday. The "history" is very brief. If you like, we can fax you the 7-8 history pages. The entire finding aid, including introductory notes, is only 60 pages long (30 double-sided pages) if you would like a copy. I will be out at the CIA both Thursday and Friday but I will be calling in if you need to talk to me for any reason.To:Michelle Combs/ARRB, Cathy Rodriguez/ARRBcc: From:Tom Samoluk/ARRB Date:05/19/97 11:57:02 AMSubject:JFK Presidential Recordings Finder's AideI sent the message below to Jeremy. Please e-mail me and advise me if you know if he has this document and if it could be located for me to review at the end of this week.Thanks.To:JeremyGunn @ aol.com @ Internet @ WORLDCOMcc: From:Tom Samoluk/ARRB Date:05/19/97 11:44:12 AMSubject:Jeremy: I am e-mailing you more out of curiosity to see if you actually receive this message. Hope all is well in Germany.Now, the substance. In connection with the Mark Allen letter on JFK Presidential recordings, I asked Stephanie Fawcett if she had what Allen called "an official history" of the recordings. Stephanie said that she had a 30 page "finder's aide," that included a history of the tapes. I am assuming that this is what Allen referred to in his letter. Fawcett said that she thought you had a copy. Before asking her for a copy, I thought I would check with you. Do you have one?If so, it would be helpful if I could look at it when I am in DC on Thurs-Friday. Can you tell me where I could find it?Thanks. Have a good trip.Tom
