PMSubject: Summary of April documentsI hope that this is what you need: CIA records from Boxes 14 and 15 of the Sequestered Collection were reviewed at the April meeting. Nearly half of these records related to Cuban Exiles and Anti-Castro/ Anti-communist groups. Among the subjects in these records are Alpha 66, Orlando Bosch and Cuban activities in Mexico City. Other documents focus on Moscow, many of these on the newspaper correspondent Aline Mosby. Additionally, the review of HSCA staff notes continued in boxes 24 through 28.
