**Subject:** Re: research

Dear Mr. Sidhu:I would suggest that you read the Warren Commission Report, or a summary of this report. The evidence which lead the Commission to resolve that Lee Harvey Oswald acted alone in the assassination of President Kennedy is spelled out in this report.You may also want to refer to a book called "Case Closed -- Lee Harvey Oswald and the Assassination of JFK" by Gerald Posner. I am not endorsing this book, but the author agrees with the findings of the Warren Commission.Sincerely,Eileen A.
