Date:05/27/97Subject:Doug Horne Called Sandra SpencerSummary of the Call:Earlier today Sandra
Spencer called and said she would be in Washington on June 4 and 5, 1997, and would be available on those
dates to view and answer questions about President Kennedy's autopsy photographs.After consulting with
David Marwell and Steve Tilley, I called her back and asked her to present herself in the lobby of Archives II at
9:45 on Thursday, June 5, for a 10:00 deposition (utilizing the autopsy photographs) in Steve Tilley's
conference room. She agreed.I gave her the address of Archives II, and Steve Tilley's telephone number (in
the event of any last minute delays June 5). She is driving to Washington on June 2 and 3 but will then be
staying with friends; I told her we would present her with Invitational Travel Orders on June 5th, and that she
could submit a claim for mileage and other reimburseable expenses after the completion of her trip. She
agreed to call me in the interim if there were any changes to her travel plans. END Don't forget to compose
individual Action Item documents for any action items that resulted from the call!
