Jeremy: If we hear anything else maybe you'd want to call Judge, but for now I'd let it go. Let me know whether you think I should call either Russo or Judge. To: David Marwell/ARRBcc: Eileen Sullivan/ARRB, Jeremy Gunn/ARRB From: Tom Samoluk/ARRB Date: 05/29/97 03:43:00 PM Subject: Call From Rick Russo David: FYI - Rick Russo, a Boston area researcher, called me today to ask if something "big" was happening on the medical evidence. He said that John Judge had called a couple of people to tell them that Jeremy Gunn was going to have some major revelations today regarding the medical evidence. Furthermore, according to Russo, the expectation is that eventual release of the medical project depositions will reveal major change in the testimony of the autopsy doctors. I tried to calm him.
