Subject: Re: Our Compl. Meeting With FBI

Sounds good. I apologize that I had to go -- I had a long-scheduled meeting ("personal business") at 12 that I should have mentioned to you earlier, but I had thought we would be finished long before that. On the requests for addl. info -- it is probably better to talk about those at the official compliance meeting, anyway.

Subject: Our Compl. Meeting With FBI
Laura -- We didn't cover any new ground after you left. I am sorry we did not get a chance to discuss the additional requests at our meeting, and let me know if you want to reconvene with Carol to do that. I felt the meeting really helped me understand what the FBI has been doing in terms of identifying, searching for, and processing the different categories of files. I will try to prepare a memo that summarizes what the FBI has done (so we'll have it for reference as we evaluate FBI compliance). --Ron
