**Subject:** Re: Sheridan

I understand that the Board is in town and things are very busy. I have a feeling we may not find each other today - I'm gone at 2PM. In case we don't meet, could you send me a reply with a hint on what you'd like me to be working on right now? Just a clue is all I need, to make sure I'm not too far off-track, until we actually do make contact. Thanks.
