Subject: Re: tax
I wasn't very satisfied with the research I did on Friday about the tax issue, so over the weekend I looked up my notes from "Legal Practice" about researching administrative law. Today I'm going to go back to the library and see if I can find anything beyond the Federal Register by using these notes. I should be back during the afternoon (1-2PM?) and if you're not busy I'll tell you what I've found.
