PMSubject:Wednesday, July 2nd For Rankin News ReleaseE- I have now spoken with Steve Tilley and Susan
Cooper. They are comfortable with Wednesday, July 2nd for the Rankin news release. The Archives will
probably not do an advance media advisory.Our Archives contact will be Juliana Bullard. When we have the
news release finalized, we need to fax it to Bullard at (301) 713-7270. I also told Susan that we would provide
Bullard and Steve with several copies of our selected documents package in advance of July 2, just in case
people do show up on that day, as we have done in the past.T
