alf Dave does have time, we would just need for Tracy to fax his clearance to Carol and then he could go over today. To: Kevin Tiernan/ARRBcc: Dave Montague/ARRB, Laura Denk/ARRBFrom: Jeremy Gunn/ARRBDate: 06/20/97 09:37:30 AMSubject: Re: Rosselli and Giancana  
alt might be useful for Dave Montague to take a quick look at these today (Friday) to provide a reference point for our exam of the files in Miami. Does Dave have the time? Can this be set up conveniently with the FBI?

The last two and one-half sections of the Giancana file (92-3171) deal with his murder, speculation on perpetrators, motive, canvassing informants regarding the murder, etc... The last one-half section of the Roselli (92-3267) cover the same ground on the Roselli murder.

Please let me know what you know about DOJ and FBI files on the investigations of the deaths of Rosselli and Giancana.
