**Subject:** Re: Tapes re: Perry Raymond Russo and Gordon Duane Novel  
 Eric: Not to belabor this, but please find out why there was a reference to transcripts in Dave's original inventory contained in the 4/21/97 e-mail below. Please ask Dave where that came from? Was it listed somewhere? Did he see the transcripts? Did someone tell him they existed? Obviously, it had to come from somewhere; the references are specific and only to three of the tapes. Please advise. Thanks. However, please see the memo below. Under three entries (highlighted) there is a reference to transcripts. Please advise me who you checked with at the Archives. If they are not in the JFK Collection, then maybe they are with the original tapes with David Kepley. Please ask Dave Montague what the references to transcripts mean. It says in the introduction that the material is at the Archives. Please advise. Thanks.
