Subject:	Re: Inconsistent fonts
Body:	Jeremy did we resolve this issue?thanksTo:Chet Rhodes/ARRBcc:David Marwell/ARRB From:Jeremy Gunn/ARRB Date:05/09/97 07:58:23 AMSubject:Inconsistent fontsMy computer (like that of other staff members) uses Palatino as its initial font, whereas footnotes continue to appear as Times Roman. Is there any way that this can be fixed once and for all so that all computers automatically employ Palatino both in the text and in the footnotes?Signed,Losing Hope
