**Subject:** Re: Clay Shaw materials/Dave Brown  
E- Thank you for the update. This is down the road a bit, but the following two things need to happen (and I will deal with them) before the Shaw papers are actually moved from our offices after processing:1. A comparison of Snyder's copies with the original papers. (We will send Snyder's back if we have everything in the original papers that he gave us, but I want to check.)2. A copy of all of Shaw's diary materials/notes has to be made for Jack Sawyer,We can talk more about this later.Thanks.T To:Tom Samoluk/ARRB, David Marwell/ARRBcc:From:Eileen Sullivan/ARRB Date:07/02/97 11:47:59 AMSubject:Clay Shaw materials/Dave BrownDave Brown stopped by today to take a quick look at the Shaw materials. He just wanted to get a sense of the volume and types of records that are there. He said he should be able to start next week, putting in a couple of hours each day.I am his contact person for this, so if there is anything I should pass on to him, just let me know. Thanks.
