Subject: tax disclosure draft memo
i was the last one here so i couldn't get open the doors to the inner chamber and grab my draft. but it may still be sitting on the printer if you want to pick it up there.i'm not quite done. what i want to do is go over certain sections with you and ask, "should i expand this argument or delete it?" especially the last section about definitions of returns. we pretty much gave up on that issue, but i've been wondering if there still might be an opening.
