Subject: Re: travel reg

Thanks for checking. To: David Marwell/ARRB, Jeremy Gunn/ARRBcc: From: Tracy Shycoff/ARRB

Date: 07/08/97 12:10:57 PM Subject: Travel reg I have checked with the GSA travel reg office regarding your question about airfare for Jim Lesar to attend the deposition in California. I explained to GSA that he would reimburse us for the airfare, but we wanted to get him govt. rate since we were taking a deposition from his client and she was not able to come here due to health reasons. GSA said that it would not be legal to offer him govt. fare under these circumstances. I also have a call into the DOJ office that has helped me before with travel questions when witnesses/subpeonas are involved. I'll see if they agree with GSA or if they know of something else that would apply to this circumstance.
