Subject: Re: Clay Shaw papers update

I know Mike Dorman wrote a story about the page from the diary, but it never made it in the paper. I'm sure he'd be interested. Maybe we could feed him more from the diary? As for the rest, I haven't really gone through those papers, so I am not that familiar with what is in there. I'm sure I can get the description of the collection when Dave Brown is done.

before the documents leave the ARRB possession. Also, we need to think about what can we do to get

another press bump out of the Shaw papers?TTo: Tom Samoluk/ARRBcc: From: Eileen Sullivan/ARRB
