Subject: Re: Notification of 19 June,1997 (part 2)

I have located the RIF numbers for the Ford Library documents. Unfortunately (and fortunately!) those documents have already been transferred to the National Archives for inclusion in the JFK Collection, so I am unable to give you further details about the contents of the documents. I will be sending this material, along with the RIFs for the Secret Service Bolden files, to you in the mail today. Sincerely, Eileen Sullivan

On the above date you notified me that the Ford Library had released, or made available, 19 documents forming part of the records of the Church and Rockefeller Commissions. Can you elaborate on these releases ? To what particular aspects of those reports do they relate? Have you any RIF numbers, numbers of pages involved etc. Your help would, once again, be most appreciated. In addition, your notice also mentioned USSS records relating to files on Abraham Bolden. Do you have further information concerning RIFs and reports involved? With best wishes from a wet and cold
