Subject: Re: Confirmation re: Max D. Phillips formerly w/ USSS Protective Research Section (PRS)

Body: Dave, good work in tracking him down. Unless a letter was sent yesterday, I would like to send one out today. Michelle has a model letter that we have sent to some CIA people that can be used as a first draft. Michelle and Joan--please work out between you who should prepare the draft letter. We should say to him that we will call in a few days. I presume that any information he has he can say over the phone. If it is worthwhile to see him in person (which I currently doubt), I could see him when I go to California in two weeks.
