Subject: Re: NSA documents/request from Tom

Manuel and I are working on the NSA stuff as we speak (I am just taking a five minute break). They should be ready either by the end of tomorrow or shortly afterwards if Manuel needs a little more time. As for my Boston address and phone, I don't have them yet. I will be in Boston from Monday morning until Wednesday afternoon trying to lock down a place, get the phone set up, and prepare for my move on August 14. As soon as I know my info, I will let Tom, and you, and the staff, know. Although, I could just give it to Tom in person when I report to work at the Boston office. (kidding, kidding.) Actually, if you speak to Tom before next Monday, tell him that I intend on trying to call him while I am up there provided my schedule allows it. Thanks. Also, Tom would like your address and phone number in Boston. Thanks.
