Subject:	Re: Fast track fix-up
Body:	the 189 documents from that meeting are now restored in Fast Track, can you please take a look and then we can continue to the next step.To:Chet Rhodes/ARRBcc:Kevin Tiernan/ARRB From:Bob Skwirot/ARRB Date:06/23/97 05:27:54 PMSubject:Fast track fix-upAs we discussed, a number of the fields were changed when Kevin ran the marcos early last week to vote the June meeting documents: Status, Number of Postponements and Action Date. With David's help we worked around the problem for the Federal Register Notice, but we still need to restore the data to Fast Track. I will leave a copy of the document summary information from that meeting. Let me know what else you might need. Thanks.
