 transcripts of tapes re: Perry Raymond Russo and Gordon Duane NovelTom: I spoke w/Ramona who said their
 group conducted a complete search w/in their ARRB Receipt File & other sources, finding no record of text
 material re: our request...It was suggested that the Motion Picture Branch (MPB) might have this
 material...Eric checked w/Les Waffan & David Kepley of MPB & they independently confirmed they don't have
 transcripts...I seem to recall Laura acquired the list from the folks in New Orleans as a general list of
 Garrison/Connick materials...Kevin is not in the office now, so I cannot ask him for further clarification on
 that...I cannot think of any further action we can take on this...Dave :-)------

 references (on the list Laura brought from New Orleans) & asked Laura if she recalled whether the physical
 transcripts were included w/in the stuff she brought from there...Laura said she brought tapes as well as text
 material...Kevin helped me recall carrying 2 boxes to NARA last year, but I thought only 1 box came from New
 Orleans...Laura thinks the audio stuff went to Kepley & the text stuff went to Tilley...I called Tilley today &
