Subject: Re:

I'll start moving winter stuff/attic stuff (that I don't chuck) this week. Maybe when we're both settled in our new places we can meet for dinner (like maybe October?) and discuss our trips. Can't wait to catch up either. How's next quarter looking for you? When are you moving? I sign my lease on Friday (just found out that I got it). I can move in as early as Saturday, but I can't imagine how I'd ever be ready by then. I'll probably bring a little over at a time. I'll give you a nudge when I pass through your room sometime around 2:00a.m.. :)
