 IRRSummary of the Meeting On Wednesday, August 20, 1997,
 Jeremy Gunn, Doug Horne, and Jim Goslee met with LTC Bisacre, Commander of the 716th M.I.B., and Elaine
 Rogic, Director of Investigative Records Repository (IRR). The purpose of the meeting, at LTC Bisacre's
 request, was to obtain an overview of where "we are going (collectively)" with IRR records, to review
 remaining work, and to discuss procedures for accomplishing that work.ARRB's letter of August 11, 1997 had
 paved the way for this meeting. Procedures for presenting proposed redactions before the Review Board
 were reviewed by Jeremy Gunn. The following actions were agreed to :-ARRB will prepare a boilerplate letter
 to be used by ARRB to notify agencies that hold IRR referrals that they will only have until October 17th to
 return referrals to IRR. [This date change from the contents of our letter was at LTC Bisacre's request, in order
 to give IRR an additional week to process incoming, processed referrals.]-ARRB agreed to try to fax a courtesy
 copy of the draft of this letter to IRR for review on Tuesday, August 26th, and IRR promised to review same
 and try to return 24 hours later.-ARRB stated its goal was to get smooth letters out to agencies holding
 referrals by C.O.B. Friday, August 29th.-IRR agreed to make every effort to forward to the Review Board, by
 November 4th, complete document packages for records for which referrals have been processed and
 returned to IRR by that date. -Jeremy Gunn suggested that IRR could make a "dry run" presentation of typical
 desired postponements, and present evidence to the Board members, at the September 17th Board meeting,
 if they so desire, in order to better gauge Board reaction to their desired postponements, and determine the
 apparent likelihood of their postponements and evidence being accepted by the Review Board prior to
 submitting documents on November 4th.IRR also promised to do its best to reassemble its previous
 correspondence file on referrals sent to other agencies and to provide a copy to ARRB for its use in preparing
 letters to agencies holding referrals.Jim Goslee was identified as ARRB's future primary POC with IRR. END
