Subject:	Re: new file creation
Body:	Yes.To:Jeremy Gunn/ARRBcc: From:Cathy Rodriguez/ARRB Date:08/26/97 11:56:02 AMSubject:new file creationI just received the original fax from Anna Nelson regarding Eisenhower Library (a thank you note to them). I checked four series and there is no category for Eisenhower Library that I could find. Please let me know if you agree that I should add in a new category for Eisenhower LIbrary, similar to the categories that currently exist for JFK and LBJ Libraries. The number would be 4.42 and 4.42.3 for correspondence such as this. Cathy
