**Subject:** Re: Second Batch of NSA Documents

I have already spoken to Manuel about this and told him that I would like to get as many of the NSA records as we can to the Board for its next meeting. He said he will do his best.

**Subject:** Second Batch of NSA Documents  
Is there any possibility that the Board will consider the second batch of NSA documents that was recently sent over at the September 17 meeting? Because there will be interest in a couple of documents, it would be helpful to get this batch done. Many of the documents are duplicates that the Board saw in the first batch. Please advise. Thanks.
