Subject: Re: NSA Update
E-Thanks. - I am just curious, why is it, do you think, that when we were doing the first NSA release, one of our people familiar with NSA docs didn't say something to us like, "Oh by the way, I don't know if this is really relevant or if we want to deal with it right now because this release has been a little rough, but to boost the number of NSA documents that we're releasing I wanted you to be aware that we do have another 49 NSA documents that are ready to go to the Archives, as well."?T To: Manuel Legaspi/ARRBcc: Tom Samoluk/ARRBFrom: Eileen Sullivan/ARRBDate: 09/04/97 02:49:10 PMSubject: Re: NSA UpdateThanks, Manuel.To: Eileen Sullivan/ARRBcc: From: Manuel Legaspi/ARRBDate: 09/04/97 02:12:47 PMSubject: Re: NSA UpdateOf the 49 documents, 32 were consent releases (released in full) and 17 of them contained "green" redactions (ones the Board had approved earlier). I'll take a look at them today and tell you if there's anything interesting in them.
