**Subject:** Re: FBI team -- this week

**Body:** My schedule is flexible. I can go either day. I have no preference. I do have a doctor's appt on Thursday, but as long as I can leave NARA by 3:30, I should be fine. I have no conflicts on Friday. Would you still like to meet with Margaret this morning at 11:30? Don't you think we should be back from SCI briefing by then? Let me know if this afternoon or tomorrow after our team meeting would be better. PS Dog was elated, and so was I.
