Subject: Re: Weekly list of what I have done (correctly, we hope!)

Great first week. The only extra thing I need from you in your weekly reports is the file numbers and the volume numbers that you reviewed. Example: Carlos Marcello file 92-2713 Sections 1, 2, and 3. See references" Volumes 1 and 2 Thanks! Laura To: Laura Denk/ARRBcc: From: Sarah Ahmed/ARRB Date: 09/16/97 09:03:49 AM Subject: Weekly list of what I have done (correctly, we hope!) In the past week, I have reviewed the Maurice Medlevine file: the first file I reviewed with Carrie included 245 pages. The next two files I reviewed on my own consisted of 349 pages total- provided I counted all proper materials. This file is almost ready to be negotiated, the only question we still have concerns an informant relationship with Medlevine- and that is for the FBI to assist us with. The next file I reviewed is on Dalton Smith, which includes 595 pages. You answered all of my questions for that file(thanks!). I have also finished reviewing the additional request file of Charles Small, and will start preparing a memo draft today. That seems to be about it. P.S.-Thanks for the peanut butter cups!
