Subject: Re: appointment slip issue

Body: This looks like progress.To: Jeremy Gunn/ARRB, David Marwell/ARRB, Tom Samoluk/ARRBcc: From: Joan Zimmerman/ARRB Date: 09/18/97 03:11:13 PMSubject: Appointment slip issueI just spoke to Steve Tilley.1. Steve talked with Sharon Fawcett (sp.?) on Tuesday. Fawcett is the Deputy head of the Office of Presidential Libraries (and formerly of the Johnson Library). Steve started with Fawcett because she knows the right people, and she will get a response when she calls Brad Garrett.2. Steve gave Fawcett a "Change of Holding" folder from RG 87 [Secret Service], which is different from the accession file I saw. The "change of holding" document is the definitive Archives tracking form, and it shows that the appointment slips went from NARA to the Johnson Library and to the Kennedy Library.3. Fawcett is aware of the problem, and she is armed with the "change of holding" document. She will call Brad Garrett, now Director of the Kennedy Library. Steve is confident that Fawcett will get an answer. 4. Steve will let me know when he hears from Fawcett.5. Steve's meeting tomorrow is about another (unrelated) Kennedy Collection matter.
