Subject: Re: LOPEZ REPORT

Dear Mr. Rossley:I apologize for the delay in responding to you. I can send you a copy of the Lopez Report -- there is no charge (at quick glance it is approximately 200 pages.) If it is available on-line, I do not know about it. We do not have a web site, so any on-line services related to assassination documents are made available by private researchers and groups.We do not usually provide copies of documents simply because the documents, once released, are sent to the National Archives for inclusion in the JFK Collection. But when we happen to retain copies, I am happy to pass them along to interested parties.If you are interested, I can place you on our mailing list (e-mail or regular) and you will receive updates on Board decisions and document releases. Just let me know.In the meantime, as soon as you provide me with your mailing address, I will put a copy of the Lopez Report in the mail for you.Again, sorry for the delay -- thank you for your

patience!Sincerely,Eileen SullivanTo: Eileen_Sullivan @ jfk-arrb.govcc: Tomnln @ aol.com @ INTERNET @ INTERLIANT
