Subject: Re: Church Committee Administrative File Review

Great on Church stuff! but I didn't know about the Pike and Rockefeller records. Are they as big as the Church records? (Do you think Joe wants to come back?)To: Laura Denk/ARRB, Joseph Freeman/ARRBcc: Kevin Tiernan/ARRB Date: 09/24/97 04:23:08 PMSubject: Church Committee Administrative File ReviewToday I reveiwed sections 57 through 59, plus the three sections of "june" documents. Debbie also showed me the list of EBFs, which is four pages long, and for the Field Office Church Committee Administrative File. She also showed me the lists for the comparable files for the Pike Committee and the Rockefeller Commission, all of which have to be reviewed for NBR designation. I think I have figured out a way to get the things voted. I will be adding a couple of things to the Freeman to Denk memo.
