Ron:Thank you. As you know, Eileen and I will be interested in anything that may be worth press/public attention. Please let us know if anything emerges that you think we'd like to know about.TomTo:Jeremy Gunn/ARRB, Tom Samoluk/ARRBcc:Laura Denk/ARRB, Kevin Tiernan/ARRB From:Ron Haron/ARRBDate:09/29/97 09:49:01 AMSubject:FBI ReviewUnless you need me here, this is to let you know that I plan to go over to the FBI this afternoon to do the following: --Review Tolson's Chron for assassination records-- Inspect the FBI file on Jimmy Hoffa (File No. 63-5327 ). As I understand it, this is the main FBI file on Hoffa from which selected documents are being processed as assassination records. I am not certain what the selection process has been for individual documents, but I can discuss this with the FBI and Laura.--Inspect the assassination records that have been compiled from Hoover's O&C files, and which should be ready to fo to the JFK Collection (I believe there is only one claimed postponement from this set of materials).--Review a file on Ed BeckerRon
