Subject: Re: Peter C. Glynn
Please try to make an appointment for you and Michelle to go see him as soon as is convenient (November is okay). Kermit is interested, perhaps, but you should talk to him first and see how it goes.To: Jeremy Gunn/ARRBcc: Michelle Combs/ARRB, Tom Samoluk/ARRB From: Douglas Horne/ARRB Date: 10/01/97 04:33:11 PMSubject: Peter C. GlynnI owe him a call soonest to let him know if/when we will be visiting him in his home for an interview.I need to know what feedback you received from Dr. Hall on the HSCA "Glynn" document; does Kermit want to personally interview Mr. Glynn, or should we just run this lead out on our own? (Mr. Glynn was increasingly reluctant to come to Washington, but didn't mind having us come to his home in Dumfries and interview him.)For various reasons, this appears not to be feasible prior to the October 14th Board Meeting; however, I need to be able to tell Mr. Glynn soon whether we are going to visit him prior to the November meeting, and whether Dr. Hall wants to meet with him.I have spoken to Michelle, and it appears a visit to his home the second week in November may be our first reasonable opportunity. Request advise.
