**Subject:** Re: 8th SECDEF Conference on Vietnam  
Thanks for the clarification; if your contact should respond differently (i.e., if he has an open copy of the document, or a redacted copy), please let me know ASAP.Thanks for your help.P.S.: You see, I've been here over two years, yet I didn't really understand the "sensitivity" issue vis-a-vis the Presidential Libraries...most of the procedures here aren't written down, to the extent that there are any procedures.To: Douglas Horne/ARRBcc: From: Peter Voth/ARRBDate: 10/02/97 08:43:12 AMSubject: Re: 8th SECDEF Conference on VietnamNot a problem...Just to clear things up, I never did get a definitive answer on the issue of whether or not the National Security Archive has a copy of the document. All I know for sure is that it didn't sound familiar to the guy who I thought was most likely to know about it.Let me know if you want something like that again.
