2. I agree that Joan can be taken off of WC and
jsut let Sydney go with it. However, I would like to tell Joan in person on Wednesday, if you think it can
wait.
To: Tom Samoluk/ARRBcc: From: Jeremy Gunn/ARRB Date: 10/06/97 02:45:26 PMSubject: Sydney's
memo re Ford and WC1. I asked Cathy to pull samples of the referral and follow-up letters on both the Ford
and the WC. I will have her give you copies. Let's discuss this on Wednesday.
2. The question of Joan's
involvement with WC issues has not been terribly clear (through no fault of hers). Given that most of this
work is already done, I suggest we take Joan off the WC project (if she ever was on it) and just have Sydney
continue it until done. What do you think? If you agree, either you or I should e-mail Joan and tell her she
does not need to do anything further on WC as it is under control. If you want to send her the message, go
ahead. If not, let me know.
