Please go ahead and make the calls. I am absolutely buried processing documents from the JCS collections, preparing for two autopsy-related depositions, preparing for our big Kodak evolution, and thinking about how to structure our big "tutorial" letter to DIA. Inasmuch as you are following through on compliance program-related matters (i.e., final compliance statement), go ahead and kick butt without me present! To: Douglas Horne/ARRBcc: From: Ron Haron/ARRB Date: 10/10/97 02:44:00 PM Subject: Compliance/Military Issues There are three military entities that have not submitted their Final Compliance Reports by the due dates --Navy (due 9/15), DIA, (due 10/1) and Air Force (due in August). I would like to call them about this. Do you want to participate in the calls? Also, we need to schedule a compliance meeting with the Army to review their Initial Compliance Report, determine what if anything else needs to be done, and to set a date for their Final Compliance Report. Let me know what dates would be good for you and I can call to set up a meeting.
