**Subject:** Re: Eighth SecDef Conference; 6 May 1963 Document

Doug:Thanks. To ensure that we control the timing, even if the documents are soon ready to go to the Archives, please do not send them out to Steve until you, Eileen and I have a plan in hand to maximize exposure on these important documents. Again, thanks. I look forward to looking through what you have for us. Tom P.S. Any word from your JCS declass guy on expediting the release of that Cuba doc? I didn't think the document was at either Presidential Library...now we know for sure. We are in the middle of our process of copying documents for you which may be (correction, WILL BE) of interest to the media. I feel we are on track to present you and Eileen with your own collection of "handouts" next Monday, and to get all of the identical documents to NARA at the end of next week, simultaneous with your press release. I look forward to discussing this with you.
