I spoke with Prof. Peter Reddaway today about the possibility of talking with you in regards to the new Russian religion law. He stated that he was not sure that he could provide details, but that he would be glad to speak with you anyway. Prof. Reddaway's exact area of expertise is in prisoners' rights, both Soviet and post-Soviet. He may feel inadequately versed to assist you, though he would definitely know to whom you should speak. He can be reached at home at (703)448-9195 both tomorrow and Friday. He can be reached in his office at (202)994-7073 on Thursday morning and next week. FYI - Though one of the most highly regarded professors at GW, Prof. Reddaway does not hold a PhD. Referring to him as Dr. Reddaway is not accurate.
