 I say, and I have chosen my words carefully, "go." Given reports that we have received of this type, I think we should start out with a very low key call to TCU and ask them if they even have such papers. Go forth, and do good.

 E-I have not heard this story before. However, unless Jeremy thinks otherwise, we should talk about pursuing this matter with Texas Christian University in Fort Worth. We could start by simply sending a letter to the library at the University and inquiring whether or not they hold the papers. If Jeremy says "go," then let's talk about getting a letter out to the University and you can e-mail the writer and say "thanks for the info. No, we have not pursued to date. As with all suggestions and leads we receive, we will review the information that you have provided. Again, thank you."

 Edition: FINAL Section: FRONT Page: 2AWord Count: 215 MEMO: THE PEOPLE COLUMN TEXT: The daughter of Lee Harvey Oswald, alleged assassin of President John F. Kennedy, says crates of information concerning her late father remain unexamined at a Texas university, and noteven she has been allowed to look inside. June Oswald Porter, 21, says the papers were part of her late grandmother's library, which was donated by her uncle to Texas Christian University in Fort Worth. "No one, not even my sister and I," has been allowed to see the collection, she says. The library consists of "probably the most complete collection of material concerning my father," she says in a bylined article in People magazine. Porter, whose mother remarried when June was 3, says the papers were given to TCU after Oswald's mother, Marguerite, diedwithout leaving a will. "Though we have fought to obtain possession of the library, the matter needs to be pursued through the courts," she says. She also says she first
