Paul:Wednesday, October 29 is good for me. It would be helpful if we could do it at 7:00 p.m. The number is should call is the regular number, (202) 724-0088. I am at extension 227. Please confirm that 7:00 p.m. my time is okay with you. Thanks. Tom

 Subject: Re: Followup to your letter Tom - How about if I call you at 8 p.m. your time on Wednesday 10/29? If that's too late, pick any earlier time that evening. If the number to use is not 202-724-0088, let me know. Sorry about my error; obviously The Conspiracy is messing with my mind. (Or maybe it was just a long day.) Paul

In your e-mail you said Wednesday 10/28 was bad, but actually 10/28 is Tuesday. I can do which ever of those nights is good for you, either next Tuesday or Wednesday. Please advise me of the night and the time, specifying whether it is your time or my time. >> Thanks. >> Tom
