PMSubject: Re: NSA documentsRe: Documents for the November meeting: As of today, we have 70 consent releases, 8 documents that need referrals (will be out by Friday), and 50 that need votes. Of those 50, 22 were noted as needing further examination by the NSA. There are four HSCA documents with NSA equities. They have signed off on the full release of two, taken a single postponement on another, and are still evaluating the last one for their equities.
