Subject: Re: HSCA documents

On Tuesday, when I am back in DC, we should have a better sense of how to fill the "holes" relative to the HSCA consent release documents from June on and all 1997 mtg. documents that Eileen spoke of below. As far as the rest of the plan, it sounds good. Perhaps you, Jeremy and I could talk on the phone on Tuesday when Jeremy and I are back in DC and confirm the game plan. Thanks.  On the basis of the record receipts she keeps whenever we send stuff out to Archives II, Eileen kindly provided me with the overview below (overview below?? -- but you know what I mean!). Does the following make sense: working from the FRNs, Ben and Peter could be schooled and utilized to put together the HSCA document packets for all the Board meetings not yet forwarded to NARA (maybe, w/ Bob and Kevin's help, I could kick out the FDFs Monday, leaving Ben and Peter with the task of physically pulling together/copying the documents while I'm back in Phoenix). Meanwhile, I could be using the FRNs (knowing, with absolute certainty, that the physical documents themselves, will be forwarded to NARA, perhaps by me personally, during the week I hope to come back for before Thanksgiving) to help winnow the HSCA-cross reference database while in Phoenix. Any thoughts? To: Joseph Freeman/ARRBcc: Tom Samoluk/ARRB From: Eileen Sullivan/ARRB Date: 10/31/97 12:22:13 PM Subject: HSCA documents
 All HSCA consent release documents up to and including the April 1997 meeting have been transferred to the Archives. All HSCA documents that the Board reviewed up to and including the December 1996 meeting have been transferred to the Archives. Two documents from the July meeting have also been transferred (180-10115-10111 and 180-10115-10112.) What I have recently been given for transfer to the Archives: 14 HSCA/WC documents (Dealy Plaza witness statements) that were just noticed in the Oct. mtg Federal Register notice. 4 HSCA green documents from the June mtg. 43 HSCA consent releases from the June mtg. These documents are all in my office. Obviously there are holes here -- we need to identify the location of HSCA consent release documents from June on. We also need to locate all 1997 mtg. documents (some, very few, that I have in my office.) NOTE: A lot of these HSCA documents are being handled by the CIA. I hope this is helpful.
