**Body:** yeah, everybody's this time was opened. I think that they didn't seal them properly out there. In the future, I'll put it in your top drawer if you're not here.

I just thought I should let you know that my time and earnings slip was opened at the top. If I am not here when these are delivered, could you please put it someplace less obvious, like my in box or any desk drawer? Thanks a lot. I'd appreciate it.
