Jeremy: I was wondering if you have had any contact with Justice on the NBC motion to intervene, now that it has been filed. Will DOJ file an answer and then there will be a hearing? I'm trying to keep up on it because of Lardner's continuing interest and because of our situation with CBS (I'm waiting for a call back from Ortiz, by the way; CBS lawyers are supposed to have looked at our draft deed of gift). Jerrie has kept me advised when any paper has come in on the matter (which I appreciate) and now I'm curious about the next step. Thanks. Tom
